Dkt: 1361.028US1

IN THE SPECIFICATION

Please amend the specification as follows: Please substitute the enclosed Substitute Specification for the specification presently on file. Applicant submits that the Substitute Specification corrects minor typographical errors relating to symbols used for singlet oxygen species and that no new matter has been added.

Moreover, the specification beginning on page 1, line 20 has been amended to include the proper grant number, as follows:

Work contributing to this invention was supported by a grant from the National Institutes of Health, GM43858, PO1CA277489 PO1CA27489. Accordingly, the United States government may have certain rights in the invention.

Applicant submits that this substitution adds no new matter.

On page 1, please amend the section beginning at line 4 as follows:
